

The Backyard Collection

Beauty.
Durability.
Functionality.
Security.

Fencing that defines your boundaries, creates safe barriers and enhances your property's beauty.

Why Alumi-Guard®?

Alumi-Guard has been providing innovative, high-quality aluminum fencing, railing and gate systems to professional contractors, architects, builders and homeowners for decades. We have a wide variety of elegant, durable and low-maintenance products — available in several different grades — designed to protect homes, businesses, municipalities and proudly securing some of our nation's military facilities. Our aluminum fencing features the highest quality of finishes available within our market — all at a great value.

Alumi-Guard has been named one of the "Top 50 Powder Coat Shops in the U.S." for nearly a decade by *Products Finishing* magazine. No other fence manufacturer has been named to this list.

The Backyard Collection

The Backyard Collection by Alumi-Guard features residential aluminum fence and gates available in a wide assortment of styles in two grades and seven standard colors — including Matte Black and Matte Bronze. Matching walk gates are available to complete your project. You can rest easy with Alumi-Guard while "protecting what you love."

Our commitment to quality means we don't just follow industry standards — we raise the bar higher by performing additional testing.

Protecting what you love

Collection Features

- Alumi-Guard fencing and gates are available in a wide assortment of styles and colors
- Four beautiful and durable grades — Residential, Commercial, Concealed Fastener and Municipal
- Matching entry and walk gates are available to complement each fence style
- Not all architectural coatings meet the standards set by AkzoNobel — Alumi-Guard meets the most stringent requirements as an Approved Applicator that surpasses 10,000 hours on the Salt Spray Test (ASTM B-117), which is three times greater than AAMA 2604-21 specifications
- Patented T-Slot™ post and hinge system on swing gates wider than 6' features a clean, professional finish and a T-nut anchor system that allows for easy installation and simple adjustments
- Providing exemplary services — engineering, architectural support and customer service
- Durable, scratch resistant powder coated aluminum fence and gates which are naturally corrosion resistant, and provide long product lifecycles with low-maintenance
- Aluminum fencing meets or exceeds ASTM F2957-13 and welded U-Frame gates are the strongest in the industry
- Committed to sustainable and environmentally responsible practices
- Residential projects are backed by a Transferable Limited Lifetime Warranty. Commercial projects have a Limited 30-Year Warranty.

4 Quick Steps to Design Your Fence

- #1 | Grade & Post Size
- #2 | Fencing Style
- #3 | Color Choice
- #4 | Fencing Options

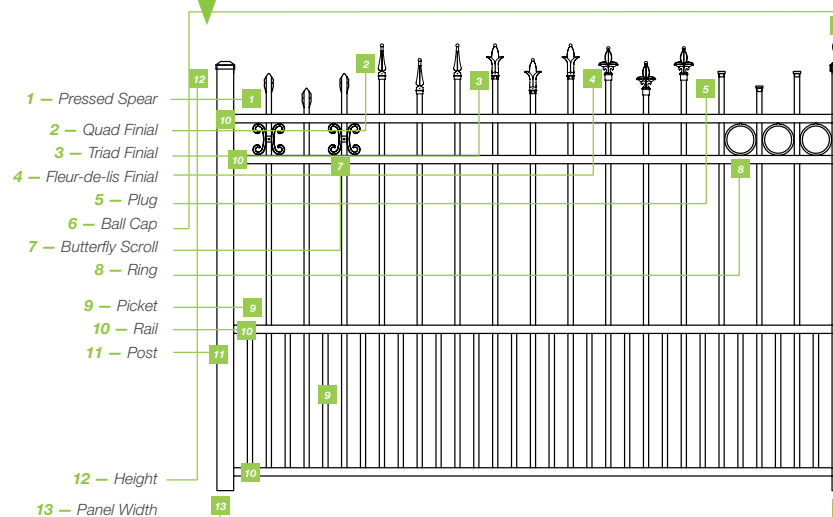

Step #2 Fencing Style

See pages 18-19

Step #3 Color Choice

Step #4 Fencing Options

Step #1 Grade & Post Size

The Backyard Collection by Alumi-Guard offers four alternatives for you to consider regarding the individual rail and picket dimensions of your fencing system.

Residential — These panels are simple and sleek, providing protection for any outdoor space.

- 1 1/8" x 1" rail
- 6' wide panels
- 5/8" x 5/8" picket grade
- 2" or 2 1/2" posts

Commercial — With upgraded rails and pickets, these panels have an elegant appearance with superior performance.

- 1 1/4" x 1 1/4" rail
- 6' wide panels
- 3/4" x 3/4" picket
- 2" or 2 1/2" posts

Concealed Fastener — These are an upgrade to the Commercial panel and are designed with a sliding tab system which covers the screw-heads for a cleaner appearance.

- 1 1/4" x 1 1/4" rail
- 6' and 8' wide panels
- 3/4" x 3/4" picket
- 2" or 2 1/2" posts

Municipal — For ultimate strength and durability, the Municipal grade provides unmatched safety and security.

- 1 1/2" x 1" rail
- 6' and 8' wide panels
- 3/4" x 3/4" picket
- 2" or 2 1/2" posts

Belmont with Mesh Gate

Belmont Puppy Picket

Pressed Spear

Belmont • Hamilton

Pressed Spear styles — Belmont and Hamilton — provide secure boundaries, classic appeal and add value to your property. These designs provide a clear and bold definition to your property's perimeter and follow the natural contour or terrain in your yard. Add rings, scrolls or other adornments to accent your fence and add to your property's beauty.

Victoria Staggered with Rings and Fleur-de-lis Finials

Premier

Victoria

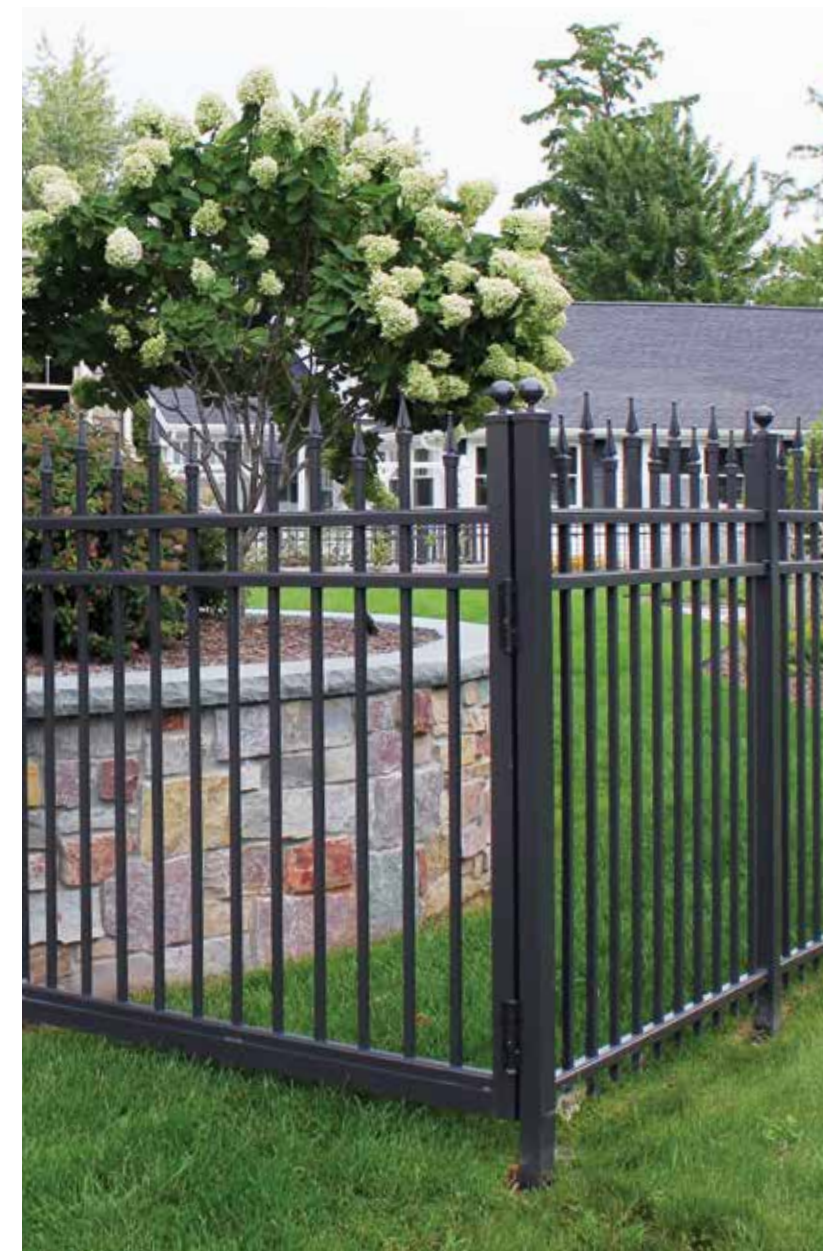

Protecting what you love

Premier Victoria fencing helps your home stand out with elegant picket options and classic beauty. Finial tops — offered in three styles — add a special touch. These designs provide a clear and bold definition to your property's perimeter. Victoria styles are available in a rackable design to follow contours of your property. Decorative fencing adornments can be added to your gate. See page 20 for options.

Chariot Post & Rail

2 Rail • 3 Rail • 4 Rail

Alumi-Guard Chariot Post & Rail fence is today's durable, low-maintenance version of traditional split-rail fence. Available in 2, 3 and 4 Rail options, this style adds the warmth of country living to any property. Chariot Post & Rail fence is the perfect choice for defining property boundaries or simply adding a touch of rural tranquility to your estate.

Walk Gates

Arch 1 • Arch 2 • Arch 3

Alumi-Guard gates demonstrate our dedication to performance, strength and reliability. A fully welded outer U-Frame design comes standard with all Alumi-Guard gates. The welded U-Frame adds substantial strength to prevent sagging all while maintaining a clean and attractive entry point to your property. Alumi-Guard gates feature the same powder coating as our fence panels — securing your property and offering low-maintenance care with a transferable limited lifetime warranty. Decorative fencing adornments can be added to your gate. For options, see page 20.

Boxed Guardrail Windsor

Boxed Guardrail Camelot

Boxed Guardrail Kit Windsor

Handrail & Guardrail

Windsor • Camelot • Yorkshire

Alumi-Guard offers two guardrail boxed railing kits* — the Windsor and the Camelot. These railings make the perfect addition to any porch, deck or balcony. With a durable powder coated finish, our railing and handrail products are made using the highest quality aluminum extrusions and castings and meet most local building codes, including the International Building Code (IBC).

With its concealed fasteners and sleek bracket options, the Windsor and Camelot styles offer a clean, contemporary look.

Alumi-Guard also offers the Yorkshire — a pre-built guardrail panel that provides the perfect solution for applications where a durable, low-maintenance railing is desired. Strong metal-to-metal connections ensure dependable safety for any balcony, stair or ramp installation.

**Guardrail boxed railing kits require assembly.*
